There are three team awards presented each year in recognition of exceptional performance and contribution to the Saint Charles Track and Field team and the Saint Charles Track and Field program. These awards in no way should be interpreted as being given to the only people who met the criteria. They are awards given to those individuals by their teammates in recognition of what the team feels are *exceptional* contributions.

MOST VALUABLE: Awarded each year to the team's leading scorer

2015 Most Valuable Award: Anna Smith

MOST IMPROVED: The recipient of the Most Improved Athlete award is not be based solely on statistics. Rather, it is given to an athlete who, through their hard work, dedication, and perseverance, noticeably improved their performances AND, as a result, helped improve the team's performances. This may be an improvement from last season to this season, or (in the case of a first-year athlete) from the beginning of this season to the end.

2015 Most Improved Award: Macy Loechler

MOST DEDICATED: Given each year to an athlete whose dedication goes beyond their own events; this award goes to the athlete who is most dedicated to the St. Charles Track and Field program. These athletes are not necessarily the top performers. Recipients of this award are dedicated not only to their own performances, but also the performances of their teammates and of the program as a whole. They are dedicated to a positive attitude and positive environment, at practice, meets, and school. They are dedicated to working hard, and enabling and inspiring others to work hard as well. They are dedicated not only to the present of this program, but making sure to put their positive stamp on the program's future as well.

2015 Most Dedicated Award: Katherine Smith

2016 Captains: Anna Smith, Analise Fabre, Allie McDonough
