Athletes who lettered are highlighted in **bold**. *Denotes that an athlete carried letter points over from last year. When an athlete scores points in a season but does not meet the 25-point qualification for lettering, he/she carries those points over. For such athletes, the first number is the total points scored this season. The second number (in parentheses) is the TOTAL points they have (last year's plus this year's). For full letter points rules and explanations, see the team page on the school website.
