*Denotes that an athlete carried letter points over from last year. When an athlete scores points in a season but does not meet the 25-point qualification for lettering, he carries those points over. For such athletes, the first number is the total points scored this season. The second number (in parentheses) is the TOTAL points they have (last year's plus this year's). For full letter points rules and explanations, visit the team website, www.scsaintstrack.com.

*Denotes that an athlete carried letter points over from last year. When an athlete scores points in a season but does not meet the 25-point qualification for lettering, he/she carries those points over. For such athletes, the first number is the total points scored this season. The second number (in parentheses) is the TOTAL points they have (last year's plus this year's). For full letter points rules and explanations, see the team page on the school website.

TEAM AWARDS—2023

There are four team awards presented each year in recognition of exceptional performance and contribution to the Saint Charles Track and Field team and the Saint Charles Track and Field program. These awards in no way should be interpreted as being given to the only people who met the criteria. They are awards given to those individuals by their teammates in recognition of what the team feels are *exceptional* contributions.

MOST VALUABLE: Awarded each year to the team's leading scorer

2023 Top Scorer: Christopher Hilton

MOST IMPROVED: The recipient of the Most Improved Athlete award is not be based solely on statistics. Rather, it is given to an athlete who, through their hard work, dedication, and perseverance, noticeably improved their performances AND, as a result, helped improve the team's performances. This may be an improvement from last season to this season, or (in the case of a first-year athlete) from the beginning of this season to the end.

2023 Most Improved Award: Charles Davidson

MOST DEDICATED: Given each year to an athlete whose dedication goes beyond their own events; this award goes to the athlete who is most dedicated to the St. Charles Track and Field program. These athletes are not necessarily the top performers. Recipients of this award are dedicated not only to their own performances, but also the performances of their teammates and of the program as a whole. They are dedicated to a positive attitude and positive environment, at practice, meets, and school. They are dedicated to working hard, and enabling and inspiring others to work hard as well. They are dedicated not only to the present of this program, but making sure to put their positive stamp on the program's future as well.

2023 Most Dedicated Award: Levi Ferden

LEADERSHIP AWARD: *The recipient of the Leadership Award goes to an athlete is a profound leader. A profound leader leads, but not primarily through instruction and prime performance, but through example and invitation. A profound leader invites those around him/her to more deeply invest in their team, their program, their teammates, and themselves. A profound leader invites not merely through words but through their own example of work, through the dignity and respect with which they treat their coaches, teammates, teachers, and competition, and through the humility and selflessness with which they approach their own role in the program. A profound leader invites those outside of his/her friend group, outside of his/her grade level, and outside of his/her event group. A profound leader, through their words, actions, and example, invites others to be more than they think they can be.*

2023 LEADERSHIP AWARD: Jake Meyer and Tyson Matzke
